PROJECT DELIVERY TEAM

Tom - BA (Hons), CIMA – Projects Director

After 12 years of experience within the Property and Construction industry, Tom has experience coordinating a wide range of projects across the country, including Retail, Leisure, Hotel and Residential schemes. Now with Image Interior Systems, he utilises his experience exclusively to deliver excellence in the Commercial Interior and Office Refurbishments sector. Tom aims to get repeat custom from every client we deal with, placing the client at the forefront of every project ensures that we always deliver high levels of client satisfaction.

Darren - NICEIC – Head of Mechanical & Electrical

Our Head of M&E has 20 years worth of experience across the office, Hospital and Educational sectors. He has worked his way from apprentice to now being in charge of a team of 10 engineers covering numerous projects in London and the South East. With that wealth of experience comes the ability to identify key issues from the outset which is of great benefit to all clients that work with him.

Graham – Design Technician CAD design

Graham was one of the original founders of the business and has vast experience in the commercial interiors sector. Graham's

seen it all, he now consults with us on a project basis utilising his experience in the more complex design and highly technical projects.

David - BSC (Hons) Quantity Surveyor – Contracts Manager

Like Tom, his background is in large construction projects, particularly in his work for Wilmot Dixon and Mace. He has worked across offices, banking, residential, bespoke fit-out and high end residential sectors around central London and the Home Counties. David brings a wealth of experience in implementing the correct processes and procedures to ensure quality of delivery and value for money whilst maintaining the highest standards for health and safety.

Qualified Sub-Contractors

We work with highly skilled specialists on some of our projects, most of whom we have worked with over many years. Each is fully insured and have CSCS cards as standard.
